## More Than Just Coverage On Your Shingles!

# GET AUTOMATIC LIFETIME PROTECTION ON YOUR ENTIRE GAF ROOFING SYSTEM!†

A new roof is more than just shingles. When you install any GAF Lifetime Shingle and at least 3 qualifying accessories, you'll automatically get a Lifetime Ltd. warranty on your shingles and all qualifying GAF accessories.† Why settle for anything less?

### GAF Lifetime Shingles

GAF offers you many great Lifetime Shingle choices, including **Timberline®** Shingles with Advanced Protection® Shingle Technology. They're the #1-selling shingles in North America!

Advanced Protection® Shingle Technology results in superior protection for your home while reducing the use of precious natural resources. That's better for your home—and better for the environment!

To learn more about why Advanced Protection® Shingles are your best choice, visit [gaf.com/aps](http://gaf.com/aps).

### GAF Cobra® Attic Ventilation

Helps remove excess heat and moisture from your attic that can raise your energy bills, cause premature peeling of interior paint and wallpaper, and even affect your health.

### GAF Roof Deck Protection

Allows moisture to escape from your attic while providing an exceptionally strong layer of protection against wind-driven rain. Also, lies flatter for a better-looking roof.

### GAF Leak Barrier

Provides exceptional protection against leaks caused by roof settling and extreme weather. Ideal upgrade at all vulnerable areas (including at the eaves in the North\*).

### GAF Starter Strip Shingles

Saves time, eliminates waste, and reduces the risk of blow-off...and may even help qualify for upgraded wind warranty coverage (see *GAF Shingle & Accessory Ltd. Warranty†* for details).

### GAF Ridge Cap Shingles

Enhances the beauty of your home while guarding against leaks at the hips and ridges.

The GAF Lifetime Roofing System has earned the prestigious Good Housekeeping Seal, which means that Good Housekeeping stands behind the products in this system. (Refer to Good Housekeeping Magazine for its consumer protection policy. Applicable in U.S. only.)

\*In the North, building codes require the use of Leak Barrier at the eaves.

†See *GAF Shingle & Accessory Ltd. Warranty* for complete coverage and restrictions. The word "Lifetime" means as long as the original individual owner(s) of a single-family detached residence (or the second owner(s) in certain circumstances) owns the property where the shingles and accessories are installed. For owners/structures not meeting the above criteria, Lifetime coverage is not applicable. Lifetime Ltd. warranty on accessories requires the use of at least three qualifying GAF accessories and the use of Lifetime Shingles.

# Choosing The Right **Lifetime** Shingle

*If you're looking for a new roof, rest assured you've come to the right place. Not only do most GAF shingles offer a Lifetime ltd. warranty\* for peace of mind, but GAF's vast shingle offering means you're virtually certain to find the right combination of style, color, and price to suit your taste.*

## Ultra-Premium Lifetime Designer Shingles

GAF's Ultra-Premium Lifetime Designer Shingles are our top-of-the-line asphalt shingles. They offer a variety of styles and colors to complement your home and to suit virtually any taste. These are the very best asphalt shingles you can buy!

PAGES 6-9  
\$\$\$\$-\$\$\$\$

## Value Collection Lifetime Designer Shingles

Now you can have the beauty and style of designer roofing—but at an incredibly affordable price. GAF's Value Collection Lifetime Designer Shingles offer an exceptionally wide array of designer styles and colors, but at prices only slightly more than a standard architectural shingle.

PAGES 10-21  
\$\$\$

## Timberline® Lifetime Shingles

Timberline® Shingles are the #1-selling shingles in North America. They offer the very best combination of performance and value that you can get for your home. Choose from High Definition®, Natural Shadow®, or American Harvest® Shingles, the newest addition to the Timberline® family.

PAGES 22-31  
\$\$\$-\$\$\$\$

## Specialty Lifetime Shingles

GAF offers shingles with special features, including our Timberline® Cool Series Shingles, which are ENERGY STAR® qualified (U.S. only), and our Grand Sequoia® IR Shingles and Timberline® ArmorShield™ II Shingles, which are Class IV impact resistant.

# Lifetime Designer Shingles

## Transform Your Home With GAF's Lifetime Designer Shingles!

Maximizing your property's "visual appeal" with a Lifetime Designer Shingle from GAF can be exciting, fun—and a smart investment.

### Designer Style...

Whatever your preference, GAF's Lifetime Designer Shingles have become "the choice" of discerning property owners, designers, and architects. Our wide range of design choices includes shingles that emulate the rich look of natural materials like wood and slate.

### Peace Of Mind...

GAF's Lifetime Designer Shingles far exceed industry performance standards—so it's no surprise that they include exceptional warranty protection. Every GAF Lifetime Designer Shingle is backed by a Lifetime Ltd. warranty, plus Smart Choice® Protection (non-prorated material and installation labor coverage) for the first ten years and 130 mph (209 km/h) wind coverage.\*†

### Two Options To Fit Your Budget...

- **Ultra-Premium Collection**—Gives you the thickest, most dimensional look for your roof.
- **Value Collection**—Gives you a designer look for just pennies-a-day more than a standard architectural shingle.

## All Of GAF's Lifetime Designer Shingles Offer You These Great Benefits:

- **Affordable Luxury...** GAF Lifetime Designer Shingles are only a fraction of the cost of traditional slate or wood shakes
- **Sophisticated Designs...** Artisan-crafted shapes combined with dimensional designs result in a sophisticated beauty unmatched by typical shingles
- **Custom Color Palettes...** Specially formulated color palettes are designed to accentuate each shingle's natural appeal
- **High Performance...** Designed with Advanced Protection® Shingle Technology, which reduces the use of natural resources while providing superior protection for your home (visit [gaf.com/aps](http://gaf.com/aps) to learn more)
- **StainGuard® Protection...** Helps ensure the beauty of your roof against unsightly blue-green algae\*\*
- **Highest Fire Rating...** Class A fire rating from Underwriters Laboratories
- **Stays In Place...** Dura Grip™ Adhesive seals each shingle tightly and reduces the risk of shingle blow-off. Shingles warranted to withstand winds up to 130 mph (209 km/h)!†
- **The Ultimate Peace Of Mind...** Lifetime Ltd. transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first ten years\*
- **Perfect Finishing Touch...** Use Timbertex® Premium Ridge Cap Shingles or Ridglass® Premium Ridge Cap Shingles.††

\*See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word "Lifetime" means as long as the original individual owner(s) of a single-family detached residence (or the second owner(s) in certain circumstances) owns the property where the shingles are installed. For owners/structures not meeting the above criteria, Lifetime coverage is not applicable.

\*\*StainGuard® protection is not available in all areas, or on Grand Sequoia® Shingles. See [gaf.com](http://gaf.com) for availability and details.

†This wind speed coverage requires special installation. See GAF Shingle & Accessory Ltd. Warranty for details.

††Timbertex® Premium Ridge Cap Shingles are available in the U.S. (except the Western Area) and throughout Canada. Ridglass® Premium Ridge Cap Shingles are available only in the Western Areas of both the U.S. and Canada; they are not available for Camelot® Shingles or Slateline® Shingles.

**TIMBERLINE**<sup>®</sup>  
LIFETIME HIGH DEFINITION<sup>®</sup> SHINGLES

"North America's  
#1-Selling Shingles!"

SHINGLE & ACCESSORY LTD. WARRANTY  
**Lifetime**  
LTD. WARRANTY TERM

"There's nothing quite like a genuine **Timberline<sup>®</sup> High Definition<sup>®</sup>** roof!"

Your roof can represent up to **40%** of your home's "curb appeal." Now, you can improve its resale value with Timberline<sup>®</sup> High Definition<sup>®</sup> Shingles from GAF.

Timberline<sup>®</sup> Shingles with Advanced Protection<sup>®</sup> Shingle Technology are the **#1-selling shingles** in all of North America. Professional installers have long preferred the rugged, dependable performance that only a Timberline<sup>®</sup> roof can offer.

But great performance is only half the story. Timberline<sup>®</sup> High Definition<sup>®</sup> Shingles not only protect your most valuable asset but also beautify your home for years to come. In fact, an independent research firm surveyed U.S. homeowners about the brand of architectural shingles they preferred. The result: **more homeowners preferred the look of Timberline<sup>®</sup> High Definition<sup>®</sup> Shingles to the other leading brands!\***

Why settle for anything less?

What's the **secret** to the striking look of a Timberline<sup>®</sup> High Definition<sup>®</sup> roof?

Timberline<sup>®</sup> High Definition<sup>®</sup> Shingles are unlike any others, thanks to our proprietary shadow bands. Each shadow band is applied using a sophisticated, computer-controlled "feathering" technique. When combined with our randomly blended top layer, it results in a shingle with exceptional depth and dimension—**and a striking look unmatched by any other brand.**

But don't just take our word for it. See for yourself. When you compare Timberline<sup>®</sup> High Definition<sup>®</sup> Shingles to typical architectural shingles, it's easy to see why they'll look sharper and more beautiful on your roof—while enhancing the resale value of your home.

**See** the difference...

**Timberline<sup>®</sup> High Definition<sup>®</sup> Shingles**

**Another Major Brand**

The color blends on Timberline<sup>®</sup> High Definition<sup>®</sup> Shingles (top) are sharp and well defined—to give your roof maximum dimensionality and depth.

ENERGY-SAVING SHINGLES  
(Not available in Canada)

“Revolutionary Energy Savings!”

**IMPACT-RESISTANT SHINGLES**

“Get Potential Insurance Savings And Extra Protection For Your Most Valuable Asset!”

**Now get potential energy and cost savings when you install GAF Timberline® Cool Series Shingles**

The revolutionary Timberline® Cool Series Shingles reflect sunlight to reduce unwanted attic heat build-up—to save energy. They are rated by the Cool Roof Rating Council (CRRC) and are ENERGY STAR® qualified (U.S. only).<sup>1,2</sup>

- **Helps Reduce Energy Cooling Costs...** Cool roofs may save you an average of 7–15% on your total cooling costs, depending on geography, season, and property.<sup>3</sup>
- **Rebates...** Some utility companies and municipalities may offer rebate incentive programs for installing a cool roof.<sup>4</sup>

Timberline® Cool Series Shingles are stocked in Fontana, CA, and Shafter, CA, and are special order in other locations.

<sup>1</sup> All three Cool Colors meet the prescriptive requirements of California TITLE 24, Part 6 for Cool Steep Slope Roofing.

<sup>2</sup> When installed properly, this product will help reduce energy costs. Actual savings will vary based on geographic location and individual building characteristics. For more information, contact GAF Technical Services at 1-800-ROOF-411, visit gaf.com, or call 1-888-STAR-YES.

<sup>3</sup> According to the Cool Roof Rating Council.

<sup>4</sup> Rebate programs and other incentives are time limited and change often; for more information, contact your utility, governmental unit, or tax advisor.

Note: See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word “Lifetime” means as long as the original individual owner(s) of a single-family detached residence (or the second owner(s) in certain circumstances) owns the property where the shingles are installed. For owners/structures not meeting the above criteria, Lifetime coverage is not applicable.

**It's sooo cool!†**

Thanks to the reflective nature of Timberline® Cool Series Shingles, part of the heat radiating from the sun gets reflected, reducing the heat in the attic and heat going into the house. It may translate into substantial savings in air-conditioning bills.

†Results may vary by geography, season, and property.

U.S. only

†Insurance discounts may not be available in your area. Where available, insurance discounts may vary. Contact your insurance provider for information.

\*This wind coverage requires special installation; see GAF Shingle & Accessory Ltd. Warranty for details.

\*\*See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word “Lifetime” means as long as the original individual owner(s) of a single-family detached residence (or the second owner(s) in certain circumstances) owns the property where the shingles and accessories are installed. For owners/structures not meeting the above criteria, Lifetime coverage is not applicable. Lifetime Ltd. warranty on accessories requires the use of at least three qualifying GAF accessories and the use of Lifetime Shingles.

**GAF IR Shingles meet the highest impact-resistance rating...**

The UL 2218 Impact Test was developed in conjunction with insurance industry leaders. It's based on dropping a 2" (51 mm) steel ball from 20' (6 m) onto the top of a shingle to see whether the shingle cracks (see illustration below). GAF IR Shingles pass Class 4—the highest rating possible. Check with your insurance agent about potential savings on your homeowners insurance.†

What you should also know about the UL 2218 impact test:

- **Forceful Impact...** The test simulates hailstorms impacting a roof at a speed of over 70 mph (110 km/h)!
- **Potential Leaks...** Shingles that fail the impact test are more likely to allow water to leak into your home.
- **No Warranty Improvement...** GAF's warranty does not cover hail damage even for shingles that pass this test.

# Ridge Cap Shingles

### Important Warning:

GAF Ridge Cap Shingles are designed to **complement** the color of your GAF laminated shingles. But some contractors cut costs by using the tabs from a 20-year or 25-year 3-tab shingle as your ridge cap. To ensure the closest color consistency for your roof, ask your contractor to use genuine GAF Ridge Cap Shingles!

### for PROPERTY OWNERS

- **Perfect Finishing Touch...** Extra-thick, double-layer design with massive 8" (203 mm) exposure is 195% thicker than strip shingles for a distinctive, upscale look
- **The Right Colors...** Designed to complement the color of your GAF laminated shingles (unlike using cut-up 3-tab shingles)
- **Stays In Place...** Dura Grip™ Self-seal Adhesive seals each piece tightly and reduces the risk of shingle blow-off
- **StainGuard® Protection...** Helps ensure the beauty of your roof against unsightly blue-green algae†
- **Peace Of Mind...** Up to a Lifetime ltd. warranty when installed on Lifetime Shingle roofs††

### for PROFESSIONALS

- **Versatile...** 12" (305 mm) wide design fits over most ridge vents
- **Easier To Install...** Newly improved pre-scored design with large 8" (203 mm) exposure means no cutting on the roof—and fewer pieces to install
- **Highest Quality...** Dual layers are sturdy and strong, yet bend easily to hug the ridge line

† See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions.

†† See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word "Lifetime" means as long as the original individual owner(s) of a single-family detached residence (or the second owner(s) in certain circumstances) owns the property where the shingles and accessories are installed. For owners/structures not meeting the above criteria, Lifetime coverage is not applicable. Lifetime ltd. warranty on accessories requires the use of at least three qualifying GAF accessories and the use of Lifetime Shingles.
